Subject: BDCP NEPA-404 meetings

Hi Patti,

I tagged along with Mike Nepstad to a meeting about NEPA-CWA integration with DWR on July 7th and that group is interested in meeting again. What you think about consolidating that meeting with our federal NEPA-CWA integration meeting? I should have thought of this earlier; the idea came up during our Bay Delta Team meeting today. The group at the July 7 meeting scheduled to meet again this week on July 21 at 9:00 AM. It is the same time spot as the Nawi meeting but on the off Thursday. We didn't set them up as every two weeks, just agreed to meet again.

I was thinking it would be good to cancel tomorrow's meeting and expand the Thursday meeting. I haven't discussed it with DWR, though I don't know why they wouldn't want to do the same thing. What do you think?
